Railroad and River Line in a Big Deal.

TRANSFER AT GEORGETOWN

Branch Railroad from Linden, Md., to Washington Necessitates New Facilities to Connect with Norfolk and Railroads There-Local Steamboat Line Medium of Connection.

ne fact is known that large railway and hipping interests have taken options for lease upon the major part of the wharf privileges between Thirteenth street and the Aqueduct Bridge, that is to say, those not permanently occupied and at the present time available for lease.

It is understood that these wharf privileges are to be taken over by the Baltimore and Ohio Railroad Company, in nnection with the traffic which will be brought into Georgetown, a part of which will be transshipped by river boats to Norfolk and points on the river and bay to be reached by the steamers which will carry this traffic.

The announcement of the leasing of the wharf privileges ultimately to the Baltimore and Ohio Railroad Company, which will be made, it is understood, in a short time, is another link in the chain of river transportation represented by the newly organized company which has taken over the Randall properties, consisting of excursion steamers, river resorts, &c.

Will Go Out for Business.

In conversation with a Washington Frank D. Wiborg, of Cincinnati, who Herald reporter a few days ago, a di-Adjourns at Early Hour This Mornis now in the Capital, will entertain the rector of this corporation briefly went visitors to-morrow night. erence to the available business upon the Potomac. He said his company was it present handicapped for the want of sufficient boats to take care of all the ousiness that would be offered. Among ouner things, he said:

"Our company has taken over the river excursion business, for which it will care first, then it will go out for traffic all along the Potomac, and probably will reach around into the Chesapeake Bay, and finally to Baltimore, though that is a little way in the future. Our company will find an outlet for its service in carrying the freight of the Baltimore and Ohio Railroad to its connections with the Norfolk and Western from the The excursion steamers with which the
